Owen's Story: This scholarship was inspired by the life of an extraordinary equine partner! We honor his legacy as one of our most dedicated equine partners at BEAMING: Always Wearing White, or "Owen", as he was more affectionately known to our staff, riders, families and volunteers. Prior to his time at BEAMING, Owen successfully competed in many different AQHA recognized divisions including hunter under saddle, western pleasure, trail, driving, showmanship and working hunter, winning many state and national titles and awards! As a BEAMING horse, Owen participated in our weekly private lessons, Partners in Riding school programs, horse shows, Camp F.I.L.T.E.R. and our Horses, Hearts and Heroes program. His affectionate personality was well known around the farm as he taught volunteers and riders the ropes, especially when it involved a treat afterwards☺ Owen was always the go-to horse when we in a pinch; he never ceased to amaze us as he gave us answers we would not dream of creating on our own. As staff, instructors and owners, we all knew we could yell his name from across the ring and he listened to our needs. His inner clock always new when the lesson was over and he always

kept us on schedule. We are so very grateful to him for all he did for our program: for his patience with fearful and apprehensive riders, his enthusiasm when he was asked to trot just one more lap to satisfy an excited child, for his humble obedience when asked to “walk on” by the tiniest voice, for his experience and expertise to carry our riders to victory in the show ring, for his trustworthiness to build self-confidence in self-doubting teens and for his camaraderie to build relationships with and among returning veterans. He leaves behind a legacy of life changing service, compassion, trust, and integrity, one we are honored to carry out in all of our BEAMING programs! Bringing something positive from Owen’s passing will surely help the hearts of BEAMING and his legacy will ride on, “changing lives, one ride at a time”. It is our hope at KK Quarter Horses and BEAMING Incorporated to annually give deserving riders, who many not otherwise be able to afford our programs, a chance to join our BEAMING family.
