

Meet Brielle . . . a rider at BEAMING Inc.

BEAMING provides equine-assisted services for kids with unique challenges, at-risk teens, veterans, and those experiencing early onset dementia. Brielle has been riding at BEAMING for two years. Please help her race around our track one more year while many others Ride in the Moment.

BEAMING Inc. Needs Your Help On Thursday, December 2nd, 2021

we will launch our largest fund-raising drive with our **Virtual & In Person Holiday**

Night at the Races Event

Our goal is to raise \$75,000 to continue our programs through 2022.

There are two ways you can help:

1. Like all 501(c)(3) charities, we need funding. Our resources go to feeding and caring for our equine partners and providing critical programing for our participants.
2. Make an in-kind donation of an ***item or service*** which we can auction off at the Night at the Races event or include in a silent auction basket.

***YOUR COMMITMENT IS CRUCIAL
TO OUR PROGRAMS.
THANK YOU FOR YOUR SUPPORT!***
